Domaine EdeM N.0 ROSAE N/V

WINE DESCRIPTION

N.0 represents 0% alcohol. "EdeM" stands for Elena de Mendoza, honoring Elena Maza, the mother of Laura Catena. Elena requested her daughter to create alcohol-free wines so she could enjoy.

N.0 ROSAE is a 100% Airén based sparkling sourced from La Mancha. After pressing, the juice undergoes controlled, low-temperature fermentation, producing fresh, aromatic profiles. The alcohol is then removed at low temperatures through vacuum distillation, preserving the wine's aromas, flavor, and freshness. Next, natural rose petals are infused, adding delicate floral aromas. Finally, the sparkling wine is carefully bottled to maintain its bubbles, freshness, and elegance.

TASTING NOTES

Pale salmon color. Delicate notes of roses, pear, fresh citrus, and a subtle herbal touch. Hints of melon, sweet lemon, and an elegant floral finish.
